

Westside Football Club  
**Kids Help Phone Charity Youth Soccer Jamboree**  
Thanksgiving Saturday

Westside FC is proud to put on our annual [Youth Soccer Jamboree](#). We extend an invitation to all teams and individual players across metro Vancouver - boys and girls from U7 – U10.

The tournament is held from 9 am to 2 pm on Thanksgiving Saturday at Douglas Park, located at 801 West 22nd Avenue, 2 blocks east of Oak in Vancouver.

The tournament is 5-aside to 7-aside depending on the age group. Each team plays four 30-minute games and takes part in a skills clinic run by premier players. Individuals who register will be placed on a team.

Every year, Westside FC and the Kids Help phone work with sponsors Safeway et al to provide a heavily discounted concession with hot dogs and snacks and drinks including fresh Starbucks coffee. Help us sell out and generate dollars for charity!

**40% of the proceeds go to Kids Help Phone**, a toll-free, 24-hour help line that provides advice and counseling to troubled children and youth across Canada. Westside FC is proud to be contributing to a charity that has become an essential service to BC kids. To date, Westside FC has generated more than \$54,000 for the Kids Help Phone.

**40% of the proceeds go to the Mike Pettingale & Kelli Glass Memorial Scholarship Trust Funds.** Since 2008, in honour of cherished fallen Westsiders, two scholarships are awarded annually to graduating grade 12s - one male and one female. See <http://westsidefc.com/scholarship>

**20% of the proceeds go to provide playing scholarships to young players who have graduated from youth soccer.** Deserving male and female players will be provided free or discounted season registration with Westside FC.

Everyone plays four 30 minute games and participates in a skills clinic.

This is a **one day** event so the rest of the long weekend is free!

**The focus of the day is on fun, participation and development.**

Games start at 9:00 am.

Registration is open at 8:30 am.

Some teams have a 9:45 first game.
